

CENTRE FOR THE STUDY OF AFRICAN ECONOMIES DOWNLOADING THE CSAE CONFERENCE APP

The CSAE App is available to download on the Google PlayStore and the App Store. Find out how to download the app and access the latest CSAE Conference event below.

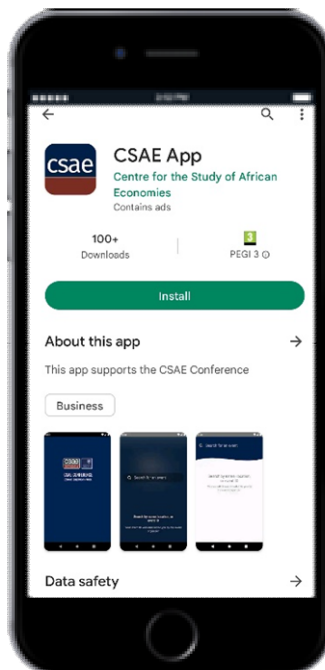

1.

Open the PlayStore or AppStore on your device and search for 'CSAE' in the search bar. You will see the CSAE icon and app appear at the top.

Click on 'CSAE App'.

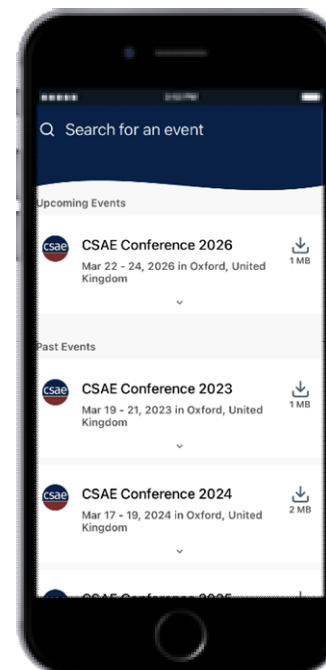

2.

Now you'll be able to install the app on your device. Click 'install'.

When the installation is complete, click the 'open' button.

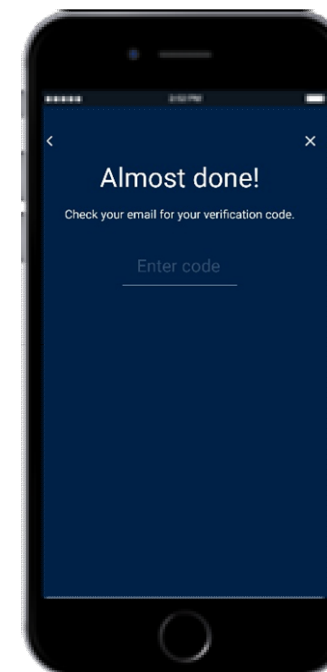

3.

This will take you to the CSAE events (you may only see one).

Click the download icon on the right-hand side to download the latest event.

4.

Now you are ready to login.

Enter your first and last name. Please use the email address that you registered with for the Conference. You'll then be asked to enter a verification code (this will be sent to your email address).

5.

The verification code normally takes a few minutes to arrive.

The email will look like the above example. Enter the 6-digit number from the email into the app and press the arrow button to proceed (this will appear where the white box is in the image above).

6.

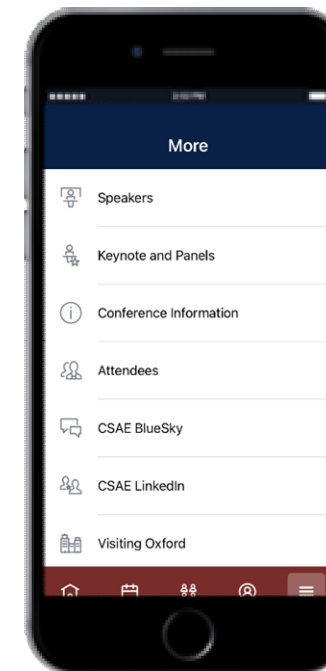

You have now successfully logged into the CSAE Conference event and will be able to see the home screen.

Here you can scroll across the quick links at the top to view the most frequently used content, or scroll down the page to see what's happening at the event and to view featured sessions and speakers.

Your profile will be 'hidden' by default. If you want to be 'visible', you'll need to choose this as part of your privacy settings.

7.

To view the information pages, click on the three lines icon on the right-hand side. This will give you a list of pages to view (as above).

To view the programme, click on the calendar icon.

To view the attendee list, click on the group of people icon.

To return to the homepage, click the house icon.
